Pondering Tips

- 1) On Monday, just read the passage through a few times to familiarize yourself with it. Ask God to use this passage in your life this week and to draw you closer to Him.
- 2) On Tuesday, read the passage again - write down any things that stand out to you or catch your attention. Write down any questions that pop out at you.
- 3) On Wednesday, read the passage again - look for things you might have missed. Meditate (think deeply) about what God is saying and how it applies to you. Write out your thoughts in a notebook.
- 4) On Thursday, read the passage again. As you read it, turn it into a prayer for God. (Example from John 1:4—" Father, more and more would you help to find my life in You. More and more would You be my light in this dark world.") Write out your prayer.
- 5) On Friday, talk to others about what you are learning - ask them what they are learning. Write out what God has shown you.
- 6) On Saturday, post your thoughts on the blog (www.shayreyner.com) as a comment to my thoughts (which will be posted on Fridays) so that we can learn from each other.
- 7) On Sunday, share what God has been teaching you with your Connect Group

**** Obviously, if you miss some days then you can combine some of these. Don't worry about not doing it this way - this is just a few ideas. I promise that most weeks I won't do it this way. The key is to stay in the Word and keep seeking God. Do that and you WILL grow.*
